# The Smile News

JULY/AUGUST 2011

## Summer is Here!

Congratulations to all the students and teachers who worked their orthodontic treatments around their academic commitments! Now that summer is here, call our office to schedule your next appointment

## What to do in case of an emergency

### What to do in case of emergency:

Call our office as soon as possible if you break or loosen any of your appliances. Please do not come directly to the office – by calling us, you will allow us to create a time to see you. Even if you have a regular appointment scheduled, call us immediately to notify us if you need an appliance repaired.

### Loose brackets or bands:

Call our office immediately for advice if a bracket or wire is loosened. The bracket may need to be re-fitted as soon as possible. You may have a situation that requires cutting a wire or sliding a bracket off a wire at night or over the weekend. If you need to cut a wire in case of emergency, you may use fingernail clippers that have been washed and sterilized in alcohol. Please call our office the next business day, so that we may schedule an appointment for you.

### Wire irritations:

Sometimes discomfort caused by a wire on your braces can be resolved by moving the wire away from the irritated area with a cotton swab or eraser. If the wire will not move, try covering the end of it with a small piece of

**“Dr. Yang takes emergencies very seriously.”**

cotton or a small amount of wax. If the wire is painful, you can cut it with nail clippers or scissors that have been washed and sterilized in alcohol. If you cannot resolve the wire irritation, call our office for an appointment.

### Lost separators:

Most patients lose a separator during their treatment. Do not worry about losing a separator, but call our office to see if it needs to be replaced.

### Discomfort with Orthodontic Treatment:

During the first week after your braces are in place and routine adjustments are complete, you will likely feel some pain, soreness or discomfort. You may take acetaminophen or other non-aspirin pain relievers while you adjust to your new braces. A warm wash cloth or heating pad may reduce the soreness in your jaws.

## After-Hours Emergency Program

Dr. Yang recognizes “After-Hours Emergencies” happen and when they do..... here’s what we need you to do:

- 1) **Call our office.**
- 2) Listen to our message
- 3) You will be instructed with a phone number to call
- 4) You can make arrangements to meet with our special “On-Call Assistant” to take care of your concerns at Dr. Yang’s office.

Dr. Yang wants to make sure our patients concerns are taken care of in an efficient and caring manner!

### 5 brushing modes

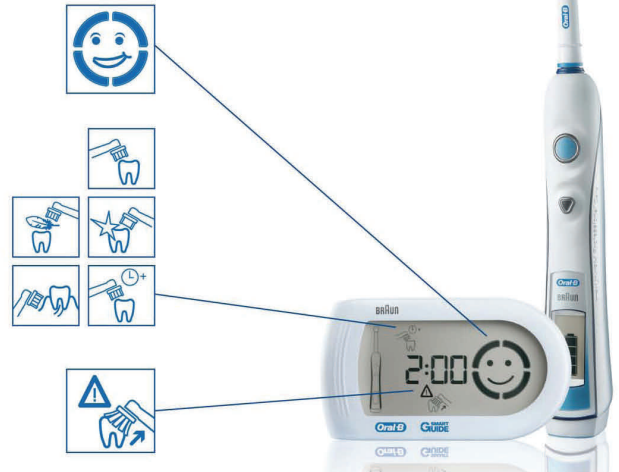

Delivers a customized brushing experience

- Daily Clean
- Soft
- Massage
- Whitening
- **NEW** Deep Clean Mode

Removes up to 99.7% of plaque biofilm within proximal areas\*

### Pressure sensor alert

Brightly displays warning when brushing too hard

# Free CPR Course

Dr. Yang truly enjoys giving back to the community and on Saturday April 30th he held a FREE CPR Class given by a Certified American Red Cross Instructor, John Conolly in his office.

It was 2 hours of life saving certification that Dr. Yang hope will be used to "Pay it Forward" ....Giving back to the community is a passion of his and he felt honored to host a class that could someday help to save a life.

The class was taught by **Broward CPR & Instructional Services**, an American Heart Association certified Instructor, John H. Connolly, FF/PM

If you or a friend are interested in attending the next CPR class Dr. Yang offers, please call our office at 954-472-5500.

\*Broward CPR can be reached at 954-472-1992

# GOOD LUCK SANDPIER ELEMENTARY 5th GRADERS!

Dr. Yang is proud to honor the students of Sandpiper Elementary!

In June a pizza party was given to the 5th grade students to commend them for their accomplishments for the 2010-2011 school year. 115 students were given a goodie bag filled with products to promote positive oral and orthodontic care.

Great job students, teachers and parents for a well deserved congratulations!
